Event description

Family Day – These are sailing events for the whole family. Cadet training will be organised for many of these days, but not all, please look out for more information by email closer to the time. Where there are no organised activities or start times it is still the perfect day to get on the water with safety boat cover. It is recommended you arrive three hours before high tide to rig your own/club boats.

Cadet Sailing Evening – Activities will be organised for cadets but no formal training will take place. Start time is not fixed, please arrive as soon as you can after school/work.

There are many other yacht club events including races listed on the full programme at www.teyc.co.uk

Contact

To keep up to date with cadet events and activities throughout the year please provide Neal Robertson with up to date mobile phone numbers and email addresses. Plus, keep an eye on www.teyc.co.uk and join the TEYC Facebook group <https://www.facebook.com/groups/264279400306411/>

If you have any questions, ideas or feedback throughout the year please contact Neal or your Cadet Captain/ Vice Captain.
