--

A successful regatta relies on the help of many volunteers. All parents will be asked to help in some way throughout the regatta which could include rigging boats, helping in the galley or general assistance. If you have a preference for the type of job or time slot where you would like to help out please note them here...

Supervision Throughout the duration of the regatta a parent, guardian or a designated person acting in loco parentis must be present at the jetty at all times and take responsibility for their child(ren). The person signing this form confirms that the child(ren) booked are competent to take part in the regatta activities and accepts responsibility for this. In the event of an accident, injury or any other medical emergency, treatment may be administered as deemed reasonable in the circumstances - for which the organisers will not be held responsible. If your child has a medical or allergic condition that may affect their health during the regatta, please provide details on the back of this registration form.

Dinghy Insurance Any participant using a private boat is responsible for ensuring it is adequately insured. This must include insurance against third party claims of at least £2,000,000.

Photography Any photos taken by TEYC during the event may be used internally and externally to help publicise the club. If you do not wish your child to be included in such photos you must opt out by contacting the regatta organiser.

Signing this entry form signifies your acceptance of the above conditions.
