

May's cadet evening was followed by the Gnome night race. There was too much wind for the toppers to go out so we took Eau De Vie out with George, Joe and Jack. They stayed aboard for the race and thoroughly enjoyed themselves. Jack sailed with Neil on Round the Lighthouse and Maisy joined Zoe on Duck and Dive.

## Regatta

The regatta started with pizza and ferret roulette on Friday evening. Danielle and Dan set up the roulette which consisted of a centre box with 6 tunnels coming off of it in different colours. A ferret was put in the centre box and whichever colour tunnel he chose to come out was the winner, the

ferrets didn't spend much time deciding which tunnel they wanted to exit! Everyone enjoyed meeting the ferrets and taking part in the games.

Saturday morning started with running through parts of the boats and rigging. The wind strength was a force 4 to 5 which was a bit challenging but we were very fortunate to have enough help for one to one instruction, allowing the cadets to have a great learning opportunity. The sailing was followed by fast and furious rib rides and a chance for the cadets to have a drive.

On Sunday we began with mud Olympics where everyone had lots of fun getting messy.

After lunch we launched the boats and the lighter winds allowed us to play some games on the water starting with netball and then I emptied the sack of plastic ducks for the cadets to collect.

All the cadets took part in the May trophy on various boats, well done to Joe and Jack Denny for being the first cadet helm home and to Jessica Breavington and Maddie Sheppard for the first cadet crew.

The weekend was rounded off with the prize giving.

A very big thank you goes to all the volunteers that made it a very successful, fun filled weekend.

## **Training**

Don't forget that there is training for older cadets and adults on the mezzanine floor or tuition while sailing if the tide is appropriate. Sessions can run later if demand requires.

## **Up and coming Events**

10<sup>th</sup> June Family Day

16<sup>th</sup> June Evening sail

30<sup>th</sup> June Evening sail

2<sup>nd</sup> July Ray Day, picnic & games

7<sup>th</sup> July Cadet Night

## **Articles Wanted**

Don't forget, this is your news letter so if you have a story, poem, picture, something interesting to tell, an achievement you may have received or anything else let me know and it will appear in the next issue.
