

## *Its Cocktail Time*

Gentlemen, want to feel like James Bond ?

Ladies , do you picture yourself as a femme fatale , or lounging on exotic beaches while a hoard of scantily clad young men attend to your every need?

If so TEYC can't help , but come along to the first TEYC cocktail evening , where we won't turn you into James Bond or provide exotic beaches but we can provide you a range of cheeky tipples, that will excite your taste buds and have you thinking you are James Bond on a tropical beach in no time.

Try the range that includes everything from Martini's and Mojitos to B52's and Jam Donuts

*Mocktails available for those that need to be sensible, or are not quite old enough yet.*

Your resident Tom Cruise will also be available to provide masterclasses on cocktail preparation , so you can wow your friends and family at home the next time you find yourself at a swanky dinner party.

Cocktails available from 8.00pm Saturday night (2nd June) , so why not pop along , and see what your new favourite tipple is.
