Monday 27 th August	Sailing and activities from 10:30am	(HW 14:07)

Activities

- Sailing tuition (on and off the water, in private or club boats)
- Sailing catamarans and other larger boats
- RIB rides
- Fun on the mud *and more...*

Activities are subject to competence, weather conditions and boat availability, and may change. A full programme will be handed out at the briefing.

T-shirts

The winning T-shirt for 2018 was designed by Gemma, any cadets who took part in the May Regatta already have their t-shirts and if any cadet needs a second top the cost for this is £5. If cadets have not yet received a top this will be included within the regatta cost.

Help Required

In order to make the cadet regatta a success we need help from parents, we understand that not all parents can sail but there will be a job that everyone can do from helping in the galley with lunches, catching and launching the boats, safety boat crew etc. When booking please can you let us know what you are able to do to help, we will allocate adult jobs before the regatta please state what you would prefer to help with.

BBQ Dinner

Saturday after sailing we will be finishing off the day by having a BBQ. The BBQ is included for the cadets, if any adults wish to join for dinner they are welcome to for a cost of £4 per person per day, please state this when booking.

Registration

Please note that although there is no minimum age it is the responsibility of the parent or guardian to assess whether their child is competent to take part in the activities planned.

TEYC Member	£25
Non-member	£30

The price is fixed for the whole weekend and includes all activities, lunch and snacks at the jetty each day plus the evening BBQ, unlimited squash and water. Any additional food or drinks (e.g. hot chocolate or fizzy drinks) will have an additional cost and this can be paid for at the galley.

Key Points to Note

We have a cap on the number of cadets we can have participating in the regatta due to boat availability; this is to ensure all cadets get equal and good teaching times. Please book ASAP – spaces will not be confirmed until payment is made.

Cadets all need to have suitable clothing for going on the water, if cadets need to borrow any clothing or lifejackets please let us know at the time of booking – please note we only have limited spares and cadets cannot go on the water without appropriate clothing so if you do not have kit time on the water may have to be restricted / rotated in order to share the spare kit around.

All cadets need to have a parent or guardian on the jetty at all times, so make the most of your time on the jetty and help make the weekend the best weekend possible for the cadets!

--

A successful regatta relies on the help of many volunteers. All parents will be asked to help in some way throughout the regatta which could include rigging boats, helping in the galley or general assistance. If you have a preference for the type of job or time slot where you would like to help out please note them here.
