

Wanted – Bar Stars - A Special Message from *DutyMan*

As you all know, the TEYC has a team of volunteer Bar Stars who work tirelessly to serve our drinks, stock our fridges, wash our glasses, and listen attentively to all our tales of sailing derring-do. Without these selfless souls, our club nights and special functions would be far less enjoyable for us all. “How can I do my bit?” I hear you say. *I’m glad you asked...*

It will soon be time to draw up the Bar Star rotas for 2019. If you would like to be added to the rota to run the bar on occasional Friday evenings, and possibly volunteer for ad-hoc Club functions, *please reply to this email* to let me know. Naturally, training will be given, although the job is so simple even the *Rear Commodore* can do it.

Cheers,

DutyMan
